Canton, Ohio 44718

Did you know the Women's Ohio State Golf Association has hosted Ohio's state amateur golf championships for women since 1920? And, your membership in WOSGA allows us to continue that tradition as well as create more state championships for your members to take part in and enjoy. Our events generally draw 60 to 80 players from across Ohio and include social hours and flighted play. Thank you for your support! We look forward to another successful season.

WOSGA's 2020 State Championships

22nd State Senior • Piqua Country Club, June 8 and 9
44th Ohio Junior Girls • Marion Country Club, July 13 and 14
97th State Amateur • The Belmont Country Club, July 20 – 23
4th Mid-Amateur • The Belmont Country Club, July 20 – 23

WOSGA also hopes to host the first ever Ohio Team Championship in 2020. We are currently searching for a site to hold the two-day event. Please contact Shirley Vaughn if you are interested in hosting the Team Championship or any future state championship.
