SCHEDULE/TIES

The competition will be in two stages:

(A) Stroke Play: 18 holes of stroke play to determine flights for match play.

State Amateur

Single elimination match play. The 32 low qualifiers comprise the Championship Flight. All other flights in the State Amateur shall consist of 16 or 8 players. A tie for the last place in the Championship Flight shall be determined immediately by a sudden-death playoff. In case of a tie for the lowest score for the Championship, the winner shall be decided immediately by a sudden-death playoff. All other ties are broken by comparison of the scorecard determining the winner.* If there is an insufficient number of players to fill a flight, the flight may be played as a stroke play event and/or a combination of stroke and match play, at the discretion of the WOSGA.

Mid-Amateur

Double elimination match play. The low 16 qualifiers comprise the Championship Flight. The First Flight shall consist of 8 players. A tie for the last place in the Championship Flight shall be determined immediately by a sudden-death playoff. All other ties are broken by comparison of the scorecard determining the winner.* The Mid-Amateur will have a consolation bracket based on the total number of entries. Seeding for matches in the consolation bracket maybe by drawing of the lot. If there is an insufficient number of players to fill a flight, the flight may be played as a stroke play event and/or a combination of stroke and match play, at the discretion of the WOSGA.

*Scorecard playoff: the winner is based on the score for the last nine holes, last six holes, last three holes, and finally the 18th hole. If there is still a tie, then the last six holes, three holes, and the final hole of the first nine holes will be considered in turn. If this process does not result in a winner, the winner will be chosen by chance (such as tossing a coin). If a multi-tee start is used, then the last nine holes, last six holes, etc." are holes 10-18, 13-18, etc. If the round is less than 18 holes, the number of holes used in matching scores may be adjusted.
