June 11, 2020, Coronavirus COVID-19 and the WOSGA 2020 Tournament Schedule
The WOSGA is pleased to announce that we are holding all championships. Each event will have COVID-19 protocols in place to ensure that players, volunteers, and club staff are protected. At this time, we will cash checks for entries received. Please watch for an email next week about our Ohio Junior Girls.

April 29, 2020, Coronavirus COVID-19 Update
Due to the Governor’s message of reopening Ohio, the WOSGA is hopeful that tournaments for 2020 will be able to be held as scheduled. The WOSGA will be posting entries on the website for most 2020 Tournaments as of May 15, 2020 (OJG expected May 1). The posting of entries is not a guarantee that the event will take place, or that the format or field size of the event as stated on the entry form or this website is final. The conditions of play, the size of the field, and even the entry fee will or may be changed to conform to safety procedures. The WOSGA will continue to monitor the COVID-19 situation putting emphasis on player and volunteer safety. We will continue to update the WOSGA website with any new information as well as any mandated safety features.

When a player mails their entry form and fee to WOSGA, the entry will be collected by the Tournament Director and it will be recorded. Your check will be held, not cashed.

Thank you for your continued support, flexibility, and patience, and your eagerness to play. We sincerely hope to carry out our full schedule in 2020.

March 18, 2020, Coronavirus COVID-19 and the WOSGA 2020 Tournament Schedule
The WOSGA board met on Wednesday, March 18, 2020, to discuss the implications of the CORONAVIRUS COVID-19 on our 2020 tournament schedule, specifically, the Ohio Junior Girls, State Seniors, State Amateur, and State Mid-Amateur.

Due to the Governor’s restrictions regarding the Coronavirus, and other federal and state guidelines and best practices regarding the virus, at this time, we are postponing the availability of entries for the tournaments until the week of April 27, 2020.

Out of an abundance of caution, the WOSGA will continuously assess the situation in an effort to be as proactive as possible. While the WOSGA has considered how this may impact an individual’s long-term planning for the 2020 Golf season, the health and wellness of all contestants are considered to be paramount. Consideration will be given to an extension of entry deadlines, format changes, and rescheduling or canceling events if further restrictions are mandated. Please continue to check the WOSGA website for further information and notices.
