

## **Holly Jenson (Maumee)**

### **Northwest Liaison**

Holly didn't take up the game of golf until she was in her mid-twenties. Once she got started, she fell in love with the game. Holly has won more than fifteen club championships at Toledo Country Club, Belmont Country Club, and the Inverness Club. In 2012, she held the title of Club Champion at both Toledo Country Club and Belmont Country Club. Holly has won several championships in the Toledo Women's District Golf Association (TWDGA). She has also served in numerous capacities on the TWDGA Board as well as President in 2012. In a volunteer coaching capacity, Holly has helped with the women's golf team at Lourdes University.

Holly also serves on the board of a charity she co-founded in 2018, called Hoops and Loops for Kids, LLC. She manages and runs a golf outing every year and has raised approximately \$60,000 for the organization. One of the charity's goals is to introduce children from underprivileged backgrounds to the great games of golf and basketball.

Holly is a Partner and co-owner of Deepwood Lane Partners, a financial advising firm in Maumee, Ohio. Holly is an active member of the Toledo Women's District Golf Association and serves on the board of the Boys and Girls Club of Toledo. She enjoys traveling, gardening, hiking, biking, kayaking, photography, and cooking in her free time.

Holly is exceptionally grateful for all the friendships she's made through participating and playing the great game of golf.
